

Artech Welders Private Limited

<https://www.shearconnectorwelding.com/>

We are manufacturers and supplier of Shear Connector, Capacitor Welding Machines, Arc Stud Welding Machine, Drawn Arc Stud Welding Machine and much more.

About Us

Established in the year **1994**, at **Pune, Maharashtra (India)**, we **Artech Welders Private Limited** are one of the leading **manufacturers and supplier** of **Shear Connector, Capacitor Welding Machines, Arc Stud Welding Machine, Drawn Arc Stud Welding Machine and much more**. Further, the service support provided by experienced industry professionals has also helped us to deliver welding machines in both standard and customized specifications as demanded by the customers.

Starting with the manufacturing of capacitor discharge projection welding machines, which provided clients a much needed low power alternative to the conventional options, today, we have delivered more than 800 machines in myriad walks of life ranging from sensitive to everyday. Backed by CE marking, These are finding applications in meeting the welding needs of projection nut and bolts, oil filters, shock absorbers, automobile sheet metal components, auto electrical, fabricated impellers, stainless steel kitchen ware and other industrial welding applications.
